

**CONVERSION OF GROUP
LIFE INSURANCE TO AN INDIVIDUAL POLICY**

CONNECTICUT GENERAL LIFE INSURANCE COMPANY (CGLIC)

What is the conversion privilege?

The right of an individual insured under the group life insurance policy to replace all or part of his/her Life Insurance Benefit with an individual whole life insurance policy if all or part of his/her coverage under the group life insurance policy terminates. No medical examination or other evidence of good health is required for a conversion policy.

The converted policy will be effective 31 days after coverage under the group life insurance policy terminates. If an insured under the group life insurance policy dies within the conversion period, any death benefit provided by the group policy will be paid.

When can you convert?

An insured individual, who is eligible to convert, as described below, can convert during the conversion period. The conversion period immediately follows the date the insured ceases to be eligible under the group life insurance policy.

Who is eligible to convert?

1. An insured, whose group life insurance ends due to termination of employment or termination of membership in an eligible class under the policy, is eligible to convert. If coverage ends because the group policy terminates, or because the class of insureds to which the insured belongs is terminated, the additional limitations, described below, apply.
2. An insured, whose group life insurance is reduced or terminated because of retirement or change in benefit amounts, is eligible to convert the amount reduced or terminated. An insured whose group life insurance is reduced due to age may also be eligible to convert the reduced amount. Please consult your certificate of insurance to determine if conversion is available when group life insurance is reduced due to age.
3. An insured dependent may convert if the dependent ceases to be eligible because the employee ceases to be eligible, or because the dependent ceases to be an eligible dependent, as defined in the Group Policy. Each dependent eligible to convert must complete an application for an individual policy.

How much can be converted?

1. An insured whose coverage terminates because he or she ceases to be eligible under the group life insurance policy, may convert up to the amount of coverage terminating under the group life insurance policy, but not less than \$2,000 unless your benefit was less than \$2,000.
2. An insured, whose coverage is reduced because of age, if available in the group life insurance certificate of insurance, retirement or change in benefit amounts, is eligible to convert the reduced amount, but not less than \$2,000.
3. If the group life insurance policy terminates, or if coverage for a class of insureds terminates, the insureds who were covered under the group life insurance policy for at least five years may convert \$2,000 or the amount of terminating group insurance, if less. Insurance regulations in some states require that an insured be permitted to convert after being insured under the group life insurance policy for a shorter period, or be permitted to convert a greater amount of terminating coverage. Please consult your group insurance certificate, or contact your Plan Administrator, for details of your eligibility and the amount of coverage available to you.

Who receives the insurance benefits in the event of the insured's death?

The beneficiary(ies) named on the application will receive the death benefit of the insured person. If one Primary Beneficiary is named, that individual will receive the entire death benefit. If two or more Primary Beneficiaries are named, they will share equally in the death benefit unless a percentage is specified for each individual. One or more Contingent Beneficiary(ies) may also be named, who will receive the benefit should no Primary Beneficiary survive the insured. A beneficiary should be indicated as follows:

Primary Beneficiary:	Mary J. Smith, wife*
Contingent Beneficiary:	William P. Smith, son

*If a beneficiary is a married woman, use her given name, for example, Mary J. Smith and not Mrs. William Smith. If there is no relationship between the insured and the beneficiary, the application should indicate "no relationship" and the beneficiary's address and social security number must be entered on the application where indicated.

What type of policy can you convert to?

Conversion may be to any permanent life insurance policy, except term insurance, being offered by Connecticut General Life Insurance Company. The Individual Whole Life insurance policy will not include any disability benefits or additional death benefits such as Disability Income, Accidental Death and Dismemberment or Waiver of Premium.

If the group life insurance policy was issued in New York, single premium One-Year Term insurance to precede the whole life insurance policy may be requested under Additional Instructions on the application as follows: "Issue with One-Year Term insurance." A permanent plan to take effect at the end of the One-Year Term Insurance must also be indicated on the application. Rates for One-Year Term insurance are available upon request by contacting our office at 1-800-423-1282.

Plan Description: The individual whole life insurance is a permanent life insurance plan with premiums payable for the lifetime of the insured. The benefit is paid to the designated beneficiary(ies) at the time of the insured's death. This policy begins to build up cash and loan value, based on the insured's age at issuance, and after a certain number of premium payments have been made. It is a nonparticipating plan (no dividends are paid).

What is the automatic premium loan provision?

After a certain number of premium payments, the individual policy begins to build up "cash value." If you elect the Automatic Premium Loan provision and do not pay the premium when it is due, that premium will be paid automatically by a loan against the cash value of the policy at the end of the 31-day grace period. Further, if you elect the Automatic Premium Loan provision, and your policy does not have sufficient funds to cover the loan amount, the applicable Paid-Up Insurance/Non-forfeiture option will automatically take effect.

If you make a premium payment while the Automatic Premium Loan provision is in effect, your payment will be applied first to any remaining months in the billing cycle you have selected, and the balance, if any, will be applied to your cash value. The usual billing statements will continue to be sent to you while the Automatic Premium Loan provision is in effect. There is no additional cost for this option, and, should you forget to make a payment, it can help protect the whole life feature of the policy's coverage from ending if you have cash value.

What are the Paid-Up Insurance Options?

If you do not pay a premium within 60 days of the date it is due, the Cash Value of the policy remains the same as it was on the due date. After 60 days, the Cash Value (minus any indebtedness) will be used to purchase either Extended Term Insurance or (Reduced) Paid-Up Insurance.

Under the Extended Term Insurance option, your Face Amount will continue for a specific time period which is calculated based on the available Cash Value amount. Under the (Reduced) Paid-Up Insurance option, your life insurance will continue for an amount that is lower than your Individual Whole Life Face Amount; however, this reduced coverage amount will continue for your lifetime with no further payments required. The amount of (Reduced) Paid-Up Insurance is calculated based on the available Cash Value amount.

Please note, you are automatically enrolled in the Extended Term Insurance option. If you prefer the (Reduced) Paid-Up option, you must elect it in writing. This election must be made within 60 days after the date the premium was due.

How to apply for conversion:

1. Complete the Application for Conversion of Group Life Insurance included in this booklet.
2. Be sure your former employer completes the *Notice of Right to Convert* form attached in this booklet. We cannot process your application and issue a policy without this information. If you received this form because you are no longer eligible for Waiver of Premium, the *Notice of Right to Convert* form does not need to be completed. Please refer to your Waiver of Premium cover letter from the insurance company for instructions.
3. Select the amount of insurance you want to convert and indicate this amount on the application. You may convert any amount (minimum amount \$2,000, unless your benefit was less than \$2,000) up to the full amount you had under your prior group plan. (Employees converting from a terminated plan may be subject to restrictions.) Please note you cannot convert more than is being replaced under a subsequent policy.
4. Calculate your premium for the amount you selected. (See rates and instructions in this booklet.)
5. Send the completed application, the Employer Notice of Right to Convert (if applicable), and premium payment made payable to **Connecticut General Life Insurance Company (CGLIC)** to the address shown below. Payment should be made via check or money order. We cannot accept cash.

Instructions for Calculating Your Insurance Age and Premium.

After you have selected the amount of insurance you wish to convert, you can calculate your Insurance Age and premium using the examples below:

Calculate your Insurance Age:

1. Determine the effective date of your new policy, which is usually 31 days immediately following your termination of your group life insurance coverage
2. The age you will be six months from the effective of the new whole life insurance policy is your "Insurance Age. If your birthday falls within that six-month period, you must add one year to your present age, otherwise use your present age.

For example:

Date of Birth	March 1, 1950
Age in June 2003:	53
Date of Group Insurance Discontinuance:	November 14, 2003
Effective Date of New Policy:	December 16, 2003
Six Months from December 16, 2003:	June 16, 2004
Insurance Age:	54

3. To determine your annual premium rate, first determine your "Insurance Age", and then refer to the rate table included in this document.
4. Calculate your premium using the attached worksheet.

Calculate Your Premium:

6. Enter the appropriate factor: Annual Payment x 1.00
 Semi-Annual Payment x 0.50
 Quarterly Payment x 0.25 _____
7. Total Payment Due...Multiply (5) x (6) _____

This is your total payment amount due. (Send a check or money order for this amount payable to **Connecticut General Life Insurance Company (CGLIC)**).

* Monthly Payments are also available by using the **Monthly Check-O-Matic** option. An automatic monthly deduction would be made from your personal checking account to pay your premiums. If you are interested in this option, please indicate "yes" in the space provided on the application form. An authorization form will be sent to you upon receipt of your application. **Your initial payment must be for at least a quarterly amount and must accompany your application.**

Important Information to Policyholder/Employer

- 1. Make a copy of this form for your file. This is for your own protection to ensure proper notification has been given.**
2. If the employee is under age 60 and totally disabled, he/she may be eligible for premium waiver under the group policy instead of the conversion policy. Please check your group policy to determine whether or not you have elected Waiver of Premium, determine the eligibility, and process the application accordingly.
